VOLUME CIV.—NO. 79.

ALEXANDRIA, VA., THURSDAY EVENING, APRIL 2, 1903.

PRICE 2 CENTS.

AT HALF MAST.

Sometimes we are greeted in the morning by flags at half-mast for some prominent official who yesterday was apparently in perfect health. When we inquire the ailment by which he was stricken it is not uncommon to be told "acute indigestion" or "stomach trouble."

It is time people learned that indigestion or any form of "stomach trouble" is not a thing to trifle with. The result may not be fatal, but there can be no condition of diseased stomach which does not carry with it physical loss and weakness. Dr. Pierce's Golden Medical Discovery cures indigestion and other forms of disease affecting the stomach and its allied organs of digestion and nutrition. It enables the perfect digestion and assimilation of food.

"Thanks to Dr. Pierce's Golden Medical Discovery," writes Mr. Charles H. Gorman, of Lehigh, Pa. "It is the only medicine that has done me any good. I tried everything I could think of to cure indigestion, and found I was only throwing away money. Then I heard of Doctor Pierce's Golden Medical Discovery and tried a bottle of it, and to my joy found it was doing me good. I used six bottles of it, and am now cured. It is the best medicine I ever used."

This grand remedy does its work in a thorough manner; it gives the health that is all health; the strength that is solid, substantial and lasting; not flabby fat, not false stimulus, but genuine, complete, renewed vitality and life force.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

CATARRH Nasal

ELLY'S CREAM BALM

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at drug stores or by mail; Trial Size, 10 cents by mail. ELY BROTHERS, 55 Warren Street, New York.

KODOL

Digests What You Eat.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: "After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured."

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action. Bottles only \$1.00 Size holding 2 1/2 times the trial size, which sells for 50c.

WIDESPREAD STRIKES.

In nearly every city in the country workers whose agreements do not run until May 1 struck yesterday for shorter hours and higher pay. The only serious outbreak was near Trenton, where the union men attacked non-unionists, beat them and destroyed Pennsylvania Railroad property.

The strike of 20,000 men in the building trades in Westchester county, N. Y., and a part of Connecticut completely stopped building operations. Strikes were begun in Rhode Island which may ultimately involve 122,000 men. There is no prospect of a settlement of the Massachusetts mill strike of 20,000 employees. In Chicago five trades are tied up and 5,000 men idle. All the vessel men of Buffalo and 1,500 plumbers have quit their employment.

Two hundred men, including electricians, sheet-iron and copper workers, went on a systematic strike on the new Stock Exchange building in New York yesterday to compel the Western Electric Company to discharge non-union men.

Never in the history of Westchester county has there been such a complete shutdown of all building work as that of yesterday, when 20,000 mechanics went on strike for higher wages and many of them for a half holiday Saturdays with full pay. When the 7 o'clock whistle blew not a mechanic responded. The strike stopped the erection of villas, cottages and manor houses which New Yorkers are building in towns along the Sound, costing in the neighborhood of \$10,000,000.

The strike covers all the territory between the Bronx river and Hartford, Ct., and as it comes just at the busy season contractors say the loss will be \$200,000 a week to the contractors, bosses and mechanics. In White Plains there are 1,000 strikers. The bosses there threaten to hire nonunion men.

One hundred plumbers and steamfitters went on strike in Mount Vernon. Fifteen hundred men in the building trades went on strike in Port Chester, Rye, Harrison and Mamaroneck yesterday. The strikers demand an increase of 28 cents daily and a half holiday on Saturday, with full pay. Building operations are at a standstill.

At Bridgeport, Ct., arrangements have been made to equip the police department with riot guns. This action, coming when a trolley strike is threatened on the Connecticut Railway and Lighting Company's local lines, has occasioned comment in union circles. The police commissioners say it is well to be prepared for a riot in case one occurs.

SUICIDE OF A YOUNG COUPLE.

Frederick Stothard and his bride, to whom he was recently married, were found dead yesterday in the yard of his father's home, in Lakeview, a suburb of Paterson, N. J. They had killed themselves with carbolic acid. It is believed the double suicide was the result of a pact decided upon after the pair had started for the Stothard home to ask the forgiveness of Stothard's father. Stothard, who was formerly employed in New York, became acquainted with Louise Chesser and desired to make her his wife, but his parents and her parents objected to the proposed marriage. Stothard moved with his parents to Lakeview sometime ago. He had not been working recently, as he was threatened with blindness. He went to New York Saturday to see a doctor about his eyes, and the same evening wrote a letter to his mother, in which he said that he and Miss Chesser had been married since September. He inclosed the marriage certificate and said he and his bride were coming to Lakeview to seek forgiveness. The mother, who is blind, was so enraged over the news that she read the letter to her husband that she tore the letter to pieces. The elder Stothard was looking out of a rear window in his home yesterday when he saw lying in the back yard what appeared to be the form of a woman. He thought that someone had been playing an April-folk joke and placed a dummy there, but decided to investigate. On going into the yard he found his son's bride lying dead. He at once recognized her, as he had often seen her in East New York. Further investigation disclosed the dead body of his son in an outhouse in the yard. By the body of the young man lay an empty eight-ounce bottle that had contained carbolic acid. It is believed young Stothard and his bride arrived in Lakeview at midnight and that they had intended to go to the Stothard home and beg forgiveness of his parents, but that, fearing they would meet with a cold reception and be turned away, decided to end their lives.

In reply to inquiries we have pleasure in announcing that Ely's Liquid Cream Balm is like the solid preparation of that admirable remedy in that it cleanses and heals membranes affected by nasal catarrh. There is no drying or sneezing. The Liquid Cream Balm is adapted to use by patients who have trouble in inhaling through the nose and in spraying. The price, including spray nebulizer, is 75 cents. Sold by druggists or mailed by Ely Brothers, 55 Warren st., New York.

DO YOUR CHILDREN ASK QUESTIONS?

Of course they do. It is their way of learning and it is your duty to answer. You may need a dictionary to aid you. It won't answer every question, but there are thousands to which it will give you true, clear and definite answers, not about words only, but about things, the sun, machinery, men, places, stories and the like. Then, too, the children can find their own answers. Some of our greatest men have ascribed their power to study of the dictionary. Of course you want the best dictionary. The most critical prefer the New and Enlarged Edition of

WEBSTER'S INTERNATIONAL DICTIONARY.

If you have any questions about it write us. G. & C. MERRIAM CO., PUBLISHERS, SPRINGFIELD, MASS.
